Treasurer report – Elisa: \$455k in bank, Infinity will not get games scheduled until they pay our outstanding bill of \$4.9K. Will need to update insurance for DPL league. Paid Sobrato for fields. Going to create a Rec/Comp/camp business unit to see how they perform.

Uniforms – Tony D.: Renewing Adidas contract 2022-24, just need to sign contract. Suggesting a custom kit which guarantees a 45 day turn around. Prices may increase slightly (\$10-15). Can get samples before ordering. Club would be refunded the down payment on the prepaid uniforms. Hope to have the final selection by end of month and have some on order by March and in stock at Nikys for next season.

VP – Charlie: 17 teams entered into the tournament, only 3 are Toros. Discount ends in ~10 days. Can register until March 11. Will check in with Sandra on the field layouts. Need more variety on the food trucks. Getting more branding to put up. Also want to improve the trophy presentation area. Only doing first place.

Marketing - Anthony: sponsoring wildflower event March 27, putting our logo on their website... promoting the tournament everywhere... also sending DPL league announcement soon.

Policy – Glenn: refund policy for camps should be posted tomorrow

Ref update – Nick: Not present at the meeting

Complex – Lisa: New director interim – looking for applications for permanent one. Jack can communicate with Sandra for now. Fields at winery will be set up for scrimmages this weekend and complex. Complex is getting very busy on the weekends so we will need to use more school fields.
